Residency Determination: These questions are asked for the purpose of determining tuition and fees. State law now requires that a person who is not a citizen or legal resident of the United States or who is without lawful immigration status is not entitled to classification as an in-state student pursuant to A.R.S. Section 15-1802 or entitled to classification as a county resident pursuant to A.R.S. Section 15-1802.01. Students will be classified as out-of-state for tuition and fee purposes until proper documentation is provided to the Records and Registration Office. The responsibility of registering under the proper residency classification is placed upon the student. Any student who falsifies his/her residency may be subject to dismissal from the College and/or criminal action. Refer to the College catalog for residency guidelines.
